

# Year 2 – Summer 2 Learning Journey

## Reading

This term our key text is 'The Worries'. The story follows a young boy called Sohal. He worries about a lot of things: the dark, mutant sheep, being alone – just about anything! One night he tries drawing his worries to make himself feel better. One day, they all come to life! It is up to Sohal to work out how to keep his worries under control.

We will be learning how to answer questions based on different texts using the Destination Reader – Ready Reader stems which include:

- Questioning,
- Inference,
- Predicting,
- Making Links.

We will also continue to work on our phonics knowledge in Read Write Inc lessons, to improve the fluency of reading.

## Maths

This term we are going to continue to work on skills and introduce some new areas to our maths learning.

Week 1 – Number and Place Value

Week 2 – The four operations in the context of money

Week 3 – Measurement – mass, capacity and volume

Week 4 – Assessment Week/Length

Week 5 – The four operations in the context of length

Week 6 – Time

## Writing

Weeks 1, 2 and 3 – We will be writing a narrative based on 'The Worries'. We will be planning our own story with our own 'worries'. We will develop our own characters, own worries and our own plot. We will be using adjectives, similes and exclamation sentences to bring our stories to life!

Week 3,4 & 5 – We will be writing a poem based on the book 'In my heart'.

Week 6 – We will be writing a non-fiction unit on pirates. We will be researching pirates and then writing a non-chronological report.

We will also be focussing on improving our handwriting, ensuring our capital letters and lower case letters are the correct sizes and shapes.

## PE

In PE, our unit will be 'Health and Fitness'. We will learn about agility and balance. We will work on our floor work, ball chasing, and ball tricks

## Geography

This term we will be learning about Human and Physical Features. We will be recapping what a human feature is and what a physical feature is. We will then go on to look at our local area – Chingford, and see what human and physical features we have. We will be using maps to support our learning.

## Art & Design Technology

In Art, we will be learning about human form. We will be creating body sculptures and will create a collage.

As part of our design technology unit this term, we will be learning about a balanced diet. We will be designing and making our own healthy wrap.

## Computing

We will be completing the unit 'Stop Motion'. We will be learning about animation and how it is created. We will then go onto taking photos using iPads before creating our own animation using Stop Motion.

## Music

We will be learning about Myths and Legends this half term. We will be creating rhythm and will learn how to compose a piece of music and perform it.

## Important Dates

Thursday 7<sup>th</sup> July – 2MM trip to the Queen Elizabeth Hunting Lodge.

Tuesday 12<sup>th</sup> July – 2CZ and 2JS trip to the Queen Elizabeth Hunting Lodge.

## PSHE

In PSHE lessons we will be focusing on RSE. We will be recognising the main external parts of our bodies and describe what our bodies can do.

## RE

In our RE lessons, we will be learning about Islam. We will learn about Makkah and the 5 pillars of Islam.
